Sir,

Reference Ministry's Circular No. 35/2011 dated 06.06.2011, Para (ii) of which inter-alia provides, as under -

"In respect of shareholders meetings to be held during the financial year 2011-12, video conferencing facility for shareholders is optional. Thereafter, it is mandatory for all listed companies."

2. Further, Para (v) of the circular provides as under in case of e-voting in general meetings.

"In the case of e-voting in general meetings, the Ministry of Corporate Affairs are presently authorizing only National Security Depository Ltd and Central Depository Services (India) Ltd as agencies for providing and supervising electronic platforms for electronic voting subject to the condition that they obtain a certificate from Standardization Testing and Quality Certification (STQC) Directorate, Department of Information Technology, Ministry of Communication and IT, Government of India, New Delhi."

3. It has been brought to the notice of the Ministry that the aforesaid mandatory requirement is in variance with the Companies Act, 1956 as also the relevant provisions proposed in the Companies Bill, 2011. "For e-voting in general meetings, any agency providing electronic platform for e-voting is required to obtain certificate from Standardization Testing and Quality Certification (STQC) Directorate, Department of Information Technology, Ministry of Communication and IT, Government of India, New Delhi."

It is clarified that this Ministry shall not authorize any agency for the purpose of providing video conferencing facilities by the corporate sector.

Yours faithfully,

(U. C. Nahta)
