ORDER

Subject:- Constitution of Regional Committee (s) to review withdrawal of prosecution cases in their region-reg.

In the meeting held under the Chairmanship of Secretary, Department of Justice it was decided to chalk out an "Action Plan for Special Arrears Clearance Drives" so as to reduce the number of Court cases. There has been continued concern on account of ever increasing litigation and the need for reducing the arrears and backlog of cases in the Courts is imperative. The review of these pending cases is long overdue, and while reviewing cost of litigation, corresponding relief including time taken for disposal, etc. are required to be kept in mind.

2. Keeping in view the above the Ministry has decided to constitute following Regional Committees under the Chairmanship of Regional Director(s) of the concerned region(s) who would review all the prosecutions/pending litigations in their region(s) including cases filed by the Official Liquidators and furnish a report to the Ministry within two months. The Regional Committee(s) would identify the cases which can be withdrawn highlighting the basis of withdrawal along with list of cases, their case numbers, the Courts where these cases are pending shall be mentioned in the report in the tabular form.
