Subject: Soft Reminder : Call for Nomination (funded by MCA under its CDM scheme) for Training on "Fintech for Leadership in the Digital World" scheduled during 12-14 February, 2020 at IIM Calcutta

Respected Sir / Madam,

Ministry of Corporate Affairs (MCA) has approved & directed Indian Institute of Corporate Affairs (IICA) to conduct a residential training programme for capacity building of Officers from MCA & its all attached offices on "Financial Technologies (Fintech) for Leadership in the Digital World" scheduled during 12-14 February, 2020 at Indian Institute of Management, Calcutta.

2. The programme aims to inspire leaders of Ministry with the required organisational and technological know-how for creating a novel digital version for the financial organisations with measurable impact.

3. The detailed overview of the training course is enclosed along with the nomination form. The nomination should be endorsed by nominating authority.

4. It is requested to kindly nominate suitable officers (only those who have completed 2 years of service) who are interested in this subject. The filled in nomination form of the officers may be submitted **latest by 5th February, 2020** to rajesh.batra@iica.in / rajeshbatra.iica@gmail.com and shukla.suraj@gov.in . Final list of selected participants for the programme will be confirmed and communicated subject to availability of seats. The TA/DA for selected participants shall be borne by their respective offices.

5. Since the training programme will commence on 12 February, 2020 at 09:30 am, the nominated participants are requested to plan their journey in such a way so as to arrive at the training venue before the commencement of the training programme/one day before in the evening. The training programme will end on 14th Feb, 2020 by 2:00 pm i.e. before lunch. Participants should plan their return journey by evening flight on 14th Feb, 2020.

ABOUT THE PROGRAMME

The financial world is going through an era of digital transformation. The impact of social media, mobility, Big Data and machine learning, Internet of Things, blockchain, and artificial intelligence based robotics is being felt as firms strive to meet the expectations of the new-age millennial customers through digital mastery. Digital change management in the banking and financial services industry and capital markets needs new capabilities in leaders who have the vision to develop novel technological innovation for transforming the world of banking, trading, risk management, customer management and advisory, payments and fraud detection. This program aims to inspire leaders of firms with the required organizational and technological know-how for creating a novel digital vision for the financial organizations with measurable impact.

TARGET AUDIENCE

- Assistant Registrar/Deputy Registrar of Companies (ROC), Official Liquidators (OL)
- Employees of sector regulators under MCA such as NCLT, CCI, SFIO, NAFRA, IEPF, IBBI etc.
- Assistant Directors to Directors working with various divisions like Cost Audit Branch, Statistics Division, Principal Accounts Office of MCA.
